

Pedro Lima | The Executive MBA

CONNECTING PEOPLE AND STRATEGY FOR OUTSTANDING RESULTS

Engineer by degree and Marketeer by passion, Pedro works in the Construction Industry with a unique profile and skill set.

He has worked between sales and marketing in Portugal and Australia over the last nine years. His international experience in the construction industry had an influential role in promoting his sales and marketing skills. Pedro has also been leading teams since 2018, achieving outstanding results.

His unique entrepreneurial, leadership, and creativity skills allow him to view when analyzing problems differently. When it comes to engineering, his agility, objectivity, and reasoning are significant in his day-to-day life and create value in companies.

Having expertise in management practices and understanding how things work makes this combination a robust toolset.
